Departmental Mission

The County Attorney is charged with handling all legal business of the Suffolk County government and its agencies.

Department Description

The County Attorney has the following responsibilities:

- Provides legal representation and advice on matters related to the actions and deliberations of all personnel and organizations within Suffolk County government and is responsible for prosecuting and defending all civil actions and proceedings brought by or against the County, the County Legislature, and any officer whose compensation is paid for from County funds for an official act. The County Attorney has direct responsibility for the five bureaus and one division in this department:
- The **Bureau of General Litigation** represents the County, its agencies and officers in a broad range of civil litigation matters such as discrimination cases and disciplinary proceedings to remove employees.
- The **Bureau of Tort Litigation** is responsible for defending the County, its agencies and officials in all torts or civil actions, both State and Federal, not handled by the Bureau of General Litigation.
- The **Bureau of Municipal Services** is responsible for all contract work for the County, including assisting departments and agencies with the procurement of goods and services through the bidding, RFP and RFQ processes, and participating in the negotiation and execution of contracts. The Bureau is also responsible for the negotiation of all leases of real property for County offices. Attorneys in the Bureau are the primary source for legal opinions for all County departments, agencies and officers, and they provide all necessary assistance with the County Executive's legislative agenda and with matters pending before the County Legislature.

LAW

- The **Bureau of Family Court/ Social Services** is charged with the responsibility of performing all County Attorney functions at Family Court, Surrogate's Court, and the representation of the Department of Social Services in all lien and litigated reimbursement matters.
- The **Bureau of Real Estate/Condemnation** was established in 1999 to accommodate Suffolk County's prioritization of environmental acquisitions, condemnation matters and landlord/tenant proceedings.
- The **Human Rights Division** is responsible for the investigation and conciliation of incidents of alleged discrimination on the basis of sex, race, color, creed, age, national origin, disability, marital status and, in some instances, a prior arrest and conviction record.

Activities and Accomplishments

2005 Executive Recommendations

I am proposing a budget of \$12,184,576 for the Department of Law for fiscal year 2005. This represents an increase of \$2,077,526 over the 2004 Adopted Budget primarily due to increases for mandated indigent counsel services. Major recommendations are as follows:

- ✓ Create a new unit to administer and monitor the legal procedures of the Stop DWI Vehicle Seizure Program. Staffing will be provided by transferring two Assistant County Attorney I (Grade 24) positions from within the Law Department into the new unit.
- ✓ Provide adequate funding to cover the mandated costs in appropriation 01-1171 - Bar Association Indigent Defendants. The 2003-2004 Adopted New York State doubled the rates previously paid for indigent counsel. As a result, the county has experienced a substantial increase for these services, which are currently at 100% county costs. The new rates began in June of 2004. The 2004 adopted budget included \$1.8 million for these costs, the 2004 estimated budget is \$2.8 million, and \$3.25 million has been included for 2005.
